MURDER AND SUICIDE?

They Had Hired an Apartment in House Where Man Was Discovered a Corpse.

WOMAN TAKEN FROM FIELD.

Found There in Stuper Two Days After the Death of Her Husband -Identified by Insurance Policies.

(Special to The Evening World.)
NEWARK, N. J., May 12.—A mystery
that seems to veil a murder and suicide has the police of this city busy
to-day. The case was brought to official notice shouly before noon by the finding of the body of Timothy Carew, an employee of Reilly's tannery, in a room of the house at No. 10 Liberty street. The man's throat had been cut from ear to ear and the bloody razor was found closed on a bureau in another part of the room.

What deepens the mystery about the man's death is the fact that the man's wife was found dead in a cell in the East Orange Police Station yesterday. She had been arrested on Wednesday, when found in a stupor in a field.

The woman's maiden name was Margaret Kelly and in the room in which Carew's body lay the police found two insurance policies for small amounts, one made out in Carew's name and the other in the name of Margaret Kelly. Dead Since Menday.

The man had been dead since Monday might, according to the physicians who night, according to the physicians who viewed the body, so the police think it is possible that he was murdered by his wife when she was selzed with a sudden fit of insanity. When found by the Orange police she was both dazed and mentally hysterical.

The house in which Carew was found the control of the

As the couple got their meals out-side Mrs. Schoot paid little attention to them. She heard high words between them on Monday morning and then all was quiet in their room. The landlady did not see the woman go out.

Mrs. School tried the door of the foom severa times to-day and could

not unfasten it. Eccoming suspicious she broke the lock. The man was lying on the floor in one corner of the room, All about him the carpet Was stained with blood,

Policies Found. The two insurance policies were found on a table, and this gave the police a limit of the man's identity. Positive identifications were made when the hor; had been removed to the Hellos Morgue on Shipman street.

At the tannery on Mott street and Passaic avenue, where Carew was emittoved, it was said that he had been missing since Saturday. He was about forty years old and bore a good reputation.
